

The ACCOIN Tribe would like to send you the warmest of thanks. Because of **YOUR** contributions and support, **YOUR** partnership helped serve **64 newly diagnosed children** with cancer, as well as hundreds of families still in treatment, and those dealing with late effects. We want to share a thank you we received from a new cancer mom after our annual summer party. Your support enables families to know they are *NOT* alone.

"Yes we all know it is very true '....kids can't fight cancer alone'. However, it is also very true that families need that shoulder to cry on, an ear to listen or that TRIBE to empower us. So thank you ACCOIN!! Thank you for the FUN, for the FOOD, for the TRIBE, and most importantly thank you for all you do for families. Your support, your dedication, and your selflessness are immeasurable and so VERY appreciated!" Cancer mom.

ACCOIN is committed to keeping 100% of funds local with 86% of those funds going directly to programs and services for families. We serve children with cancer from Washington, Idaho, Montana, and Oregon.

Please consider ACCOIN in your year-end giving to help us provide direct services to children with cancer and their families and to continue to be a key member of the ACCOIN Tribe.
