

What is the ACCOIN Adopt-A-Family program all about?

How much time do you spend shopping for Christmas gifts? Probably quite a lot! Imagine knowing there may not be gifts for your family because there's no time to shop between hospital stays, recovery, doctor's visits and treatment. Maybe there's no money due to medical bills. No one needs extra stress at Christmas time, especially when their child is ill. The purpose of the ACCOIN Adopt-a-Family program is to help relieve all of these issues.

Each year our goal is to provide every family in treatment the option to "be adopted" for Christmas.

It's a big undertaking—and we need your help! There are businesses all across the city, from hair salons and banks to gyms and coffee stands, that put up Giving Trees or whose employees pitch in to supply gifts.

We also have families and individuals who commit to adopting each and every year! It's really amazing to see the outpouring of compassion all across our community.

Wouldn't you like to be a part of something amazing?

ACCOIN's Christmas Adopt-a-Family program helps families with children diagnosed with cancer. These kids are from Eastern Washington, North Idaho and Western Montana. All are in treatment here in Spokane.

...because kids can't fight cancer alone!®

Ways You Can Help

1. **Make a financial donation** We can use your donation to purchase last-minute gifts for newly diagnosed families that enter our programs too late to be adopted.
2. **Purchase gift cards to help adopted families**
Grocery store and gas cards are always a blessing!
3. **Adopt a Family** There are families of all sizes in need, so you can sponsor a family individually, as a workplace, a school, a church group...recruit your friends and family to join in the fun!
4. **Host a Giving Tree** ACCOIN has many local businesses who place a giving tree in their store or office so their customers can take part.

How do I get started?

Fill out the sponsor form located on the back of this brochure and let us know what you'd like to do! Leave the form with an ACCOIN volunteer, and we will contact you.
