

Our Fourth Annual *Hope is Golden* benefit luncheon is on September 28th 2016 during childhood cancer awareness month. This year's event will be hosted at the beautiful Lincoln Center. Proceeds will go to ACCOIN to aid in its ***mission to educate, support, serve and advocate for families of children with cancer, survivors of childhood cancer and the professionals who care for them.***

Our focus is helping families rebuild their lives during and after a childhood cancer diagnosis. As a local direct services organization, we serve families from throughout Eastern Washington, Northern Idaho and Western Montana. This past year, there were 58 children diagnosed with cancer at Sacred Heart Children's Hospital. We are a local organization and 100% of funds raised stay in our local area. Because of volunteers, community members, and businesses, we are able to allocate 85% to programs and services, 10% to fundraising, and 5% to administrative costs.

The underwriting of our costs will provide the necessary leverage to successfully raise funds for our programs and services and provide an inspiring experience. Depending on the sponsorship level you choose, you will receive recognition at the event, on our website, through social media, and in our printed materials.

ACCOIN is a 501 (c) (3) non-profit organization dedicated to helping children with cancer and their families. The Federal ID # is 91-1890353.

Thank you for making a difference in the lives of children with cancer and their families.

...because kids can't fight cancer alone!®

Sincerely,
