

CELEBRATING 40 YEARS

Please join us for our Fifth Annual *Hope is Golden Luncheon* as we celebrate 40 years of enhancing the lives of children with cancer and their families by providing hope, emotional support, education, and patient advocacy. This year's event will be hosted at the beautiful Lincoln Center on September 26th, 2017 and hosted by Robyn Nance from KXLY. All proceeds go to ACCOIN to support our ***mission to educate, support, serve and advocate for families of children with cancer, survivors of childhood cancer and the professionals who care for them.***

Your support helps connect families with one another. "The Summer party that ACCOIN hosts allowed me to feel at home with children just like me. Being surrounded by people who are motivated to beat cancer and to help others along the way, gave me strength during my treatment and a sense of belonging to something bigger than myself." Childhood Cancer Survivor Conner-Diagnosed at 3 years old

As a local direct services organization, we serve families from throughout Eastern Washington, Northern Idaho and Western Montana. This past year alone, there were 58 children newly diagnosed with cancer at Sacred Heart Children's Hospital. Currently, we have 375 family memberships. Because we are a local organization, 100% of funds raised stay in the Inland Northwest. Thanks to volunteers, community members, and businesses, we are able to allocate 87% to programs and services, 9% to fundraising, and 4% to administrative costs.

The underwriting costs provide the necessary leverage to successfully raise funds that go directly to our programs and services. Depending on the sponsorship level you choose, you will receive recognition at the event, on our website, through social media, and in our printed materials.

ACCOIN is a 501 (c) (3) non-profit organization dedicated to helping children with cancer and their families. The Federal ID # is 91-1890353.

Thank you for making a difference in the lives of children with cancer and their families!

Sincerely,

Sarah Jane Brown
