ACCO Trick or Treat Flyers

As you take part in Halloween festivities this year, please keep in mind that many families are spending this holiday with something equally spooky: childhood cancer. You can help support our nation's childhood cancer patients by Trick-or-Treating for the American Childhood Cancer Organization.

Instructions

1. Download these printable Halloween flyers (4 per page).
2. Print and cut out several copies- enough for everyone who visits your house.
3. Hand out the flyers with your usual Halloween goodies for trick-or-treaters. You can also give the flyers out to others as you go trick-or-treating.

Thank you! Your support is greatly appreciated.
