

Thank you for
coming to the
Pasty Bake Day

and supporting
children with
cancer!

Go Gold[®] for Childhood Cancer

In 1997, a group of parents of children impacted by cancer chose *gold* to represent childhood cancer. Thus, the gold ribbon! Ever since then, supporters around the world *Go Gold* to represent childhood cancer warriors and heroes.

Approximately

40,000

children are on active
treatment at any given
time.

20%

of children with cancer in the U.S.
will not survive it.

Worldwide, every

a child is diagnosed with
cancer.

Each year
in the U.S. alone, an estimated

15,780

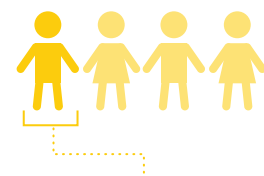

children aged 0-19
will be diagnosed with
cancer.

Globally,
there are more than

300,000

children diagnosed with
cancer each year.

One quarter of
survivors face a late-effect
from treatment that is
classified as

severe or
life-threatening.
